Our Principals Speak

JAMES W. PAYNE
High School Principal

HOWARD DEATON
Junior High Principal

Education is the most important activity in which we can be engaged. In addition to academic courses, our school offers many opportunities for the development of leadership qualities. The formation of our Student Council is a forward step this year. I sincerely hope the time will come when each of you may look back upon your days in school as the formative years that have helped you to become a happy, successful citizen.

James W. Payne

Congratulations to the members of the ninth grade class of 1959. May I wish you good health, happiness, and success as you continue your education. I shall always cherish the memory of having known you and worked with you in the East Central Junior High School.

Howard Deaton

It is a pleasure to offer a word of greeting and commendation to the Yearbook Staff of 1959.

This year our beautiful new Elementary Building, consisting of twenty-four classrooms, gymnasium, cafetorium, health room, and two offices has been completed.

Appreciation is extended to those who shared experiences and offered encouragement and assistance.

I would not trade my association with eager, happy, enthusiastic youngsters, dedicated, hardworking teachers; and cooperative, friendly parents for any other job.

A Message From The Superintendent

To the students and personnel of East Central High School:

This book represents a one year's record of your life. Your friends, your activities, your successes, and even some of your failures are contained in its pages. Mostly it reflects the lighter side of your life, but may the serious side prevail.

Seniors: I hope and pray that this is not the end but the beginning of your education, and your life is a successful and happy one.

Staff members and sponsor: Congratulations for a job well done.

Everyone: I have enjoyed this year, have you?

Sincerely yours,

William Wickett

Sports

Playing for the second year in the highly competitive 14-B Conference, the Cardinals showed quite a bit of growth over the 1957 season, defeating Sperry, Union, Collinsville, and Barnsdall. East Central fans will remember many moments in other games when the outcome might easily have been different -- in the season's opener, for instance, when the Cards led Haskell by twenty points at halftime, or the Jenks game, when East Central led in first downs, and yards gained, but not in the score. The high point of the season, for many, was the Collinsville game, which we won, 6 - 0. As always, we were proud of the fine sportsmanship displayed by our boys. The team will lose the following seniors: David Jeffs, Ralph Farrar, Bill Rinner, Sam Whisenhunt, Gene Greer, Burton Grimm, and Dalton Tyler. Boys on the squad who are not pictured in the individual pictures are John Lamb, Center; Roger Hickman, Tackle; Larry Lowman, Guard; and Dalton Tyler, Center.
